Poolsafe Dual Action Tile/Metal Descaler & Cleaner

Removes poolside scale, scum, body fats and calcium without effecting the pH balance. It is the only product needed to descale and clean tiles, stone and metals, in all areas leaving a pleasant fragrance.

Poolsafe Dual Action restores the original anti-slip properties of the tiles.

Poolsafe Dual Action can be used in all areas. Showers, washrooms, changing rooms, steam rooms, jacuzzis, anywhere there is a build up of scale or scum, leaving surfaces brilliantly clean.

Regular use of **Poolsafe Dual Action** following a deep clean will slow down any build ups, keeping cleaning routines manageable.

Poolsafe Dual Action Gel is available for difficult vertical surfaces and scum lines. Ideal for use on rubber flooring.

Deep Clean

This highly impressive product is recommended for initial deep cleaning and 3 monthly thereafter without the need for pool closure.

Deep Clean has been specifically designed to remove heavy duty rust, scale, scum, calcium and body fats from tiles, grout, scum channels, water slides etc.

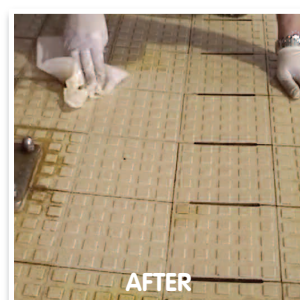

Safe to use on the surrounding areas of the pool, without effecting the pH balance of the water.

Eliminates stubborn rust stains and restores the original anti-slip properties of the tiles.

For use in changing rooms, toilets, showers, steam rooms, saunas and jacuzzis.

Deep Clean Gel is available for vertical and challenging surfaces, scum lines, rubber flooring and pool covers.

WARNING! Do not use on stainless steel or chrome.

Multi-Clean KILLS 99.9% BACTERIA

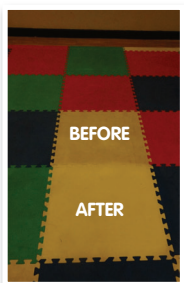

A powerful multi-purpose sanitiser and cleaner, with a long lasting fragrance.

Multi-Clean is so versatile that it can be used as the following:

- All purpose cleaner
- Floor Cleaner
- Glass & Mirror Cleaner
- Toilet & Bathroom Cleaner
- Disinfectant
- Carpet & Upholstery Cleaner
- Drain Degreaser

Odour & Stain Eliminator

An enzyme product that plays a vital role within your cleaning routines. Completely destroys body odours, in saunas, steam rooms, gyms, sunbeds, showers, toilet areas and changing rooms.

Odour & Stain Eliminator does the work for you, when eliminating odours. Simply spray on fabrics, carpets, floors, gym equipment and leave, no need for wiping or rinsing. Excellent for preventing gym pads from splitting.

Completely removes urine, sweat, soiling, fats, cooking oils, wine, milk and most soft drinks by digesting proteins.

Regular use will keep kitchen grease traps and pipes clear and odour free.

AVAILABLE IN 5LTR AND
1LTR READY TO USE TRIGGERS

“Poolsafe Dual Action is useful for all surfaces and allows the cleaning team to use one chemical on all areas of the poolside.”

Oliver Green – David Lloyd Ringwood
